"THE COMMITTEE"

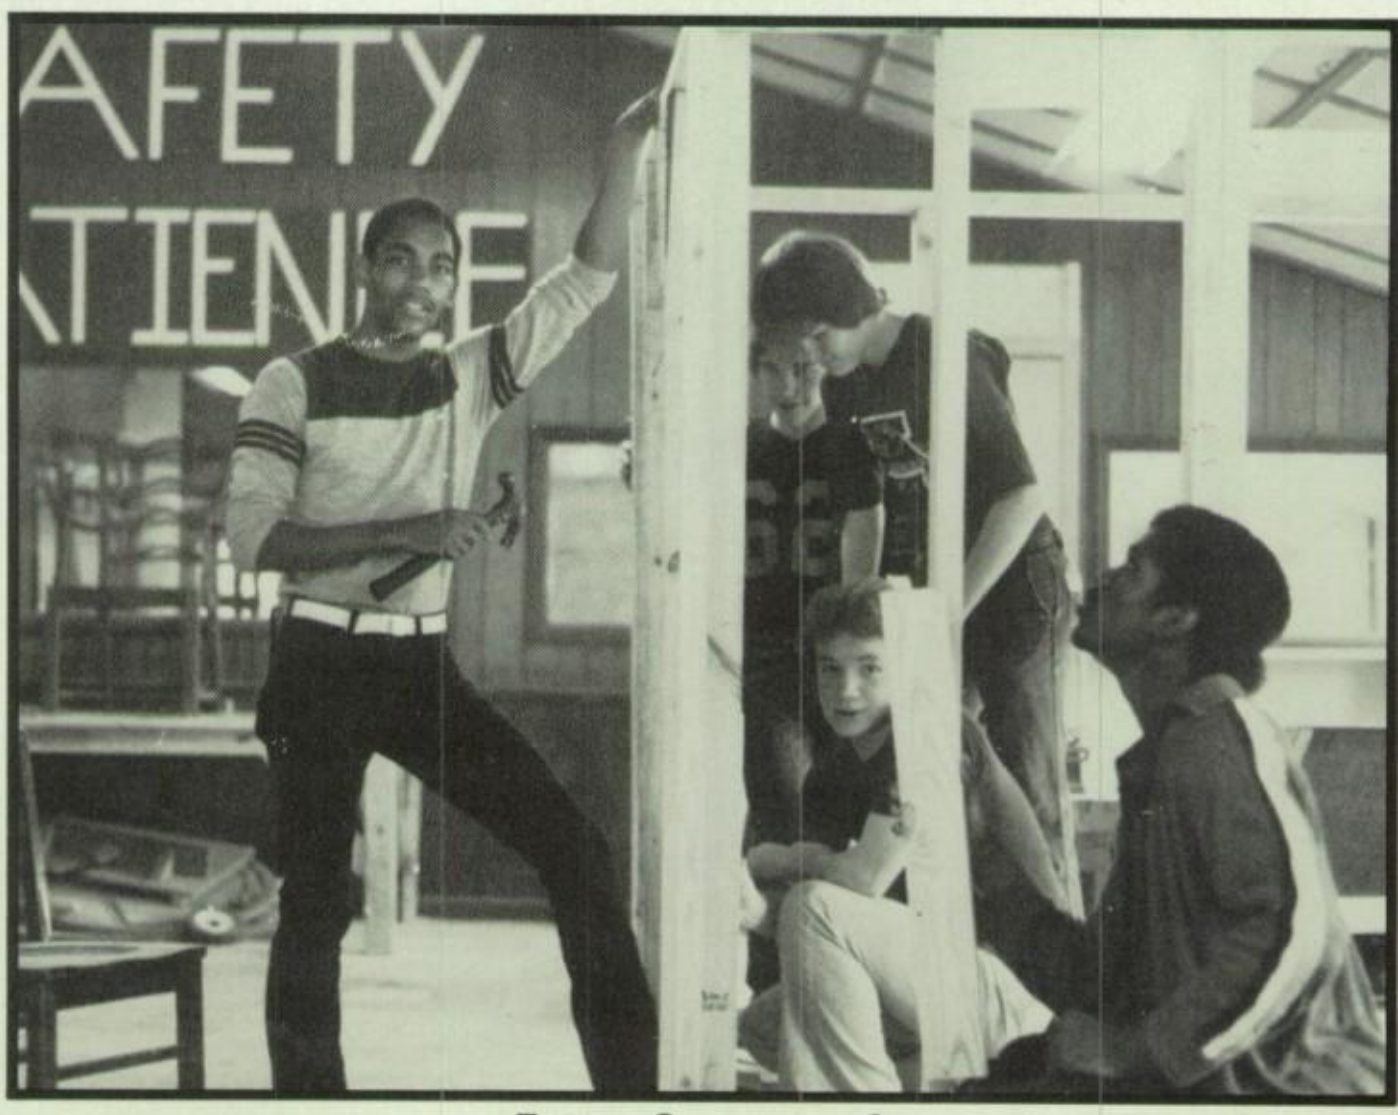
Striving to Learn and Do Better.

This sure could take a long time.

What's this doing here?

Typists at work.

VICA's Pres. at work.

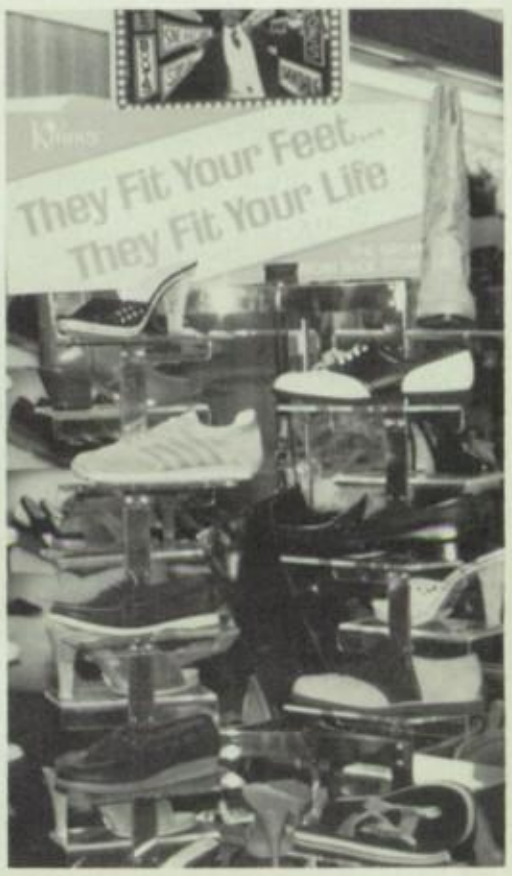


Future Carpenters?

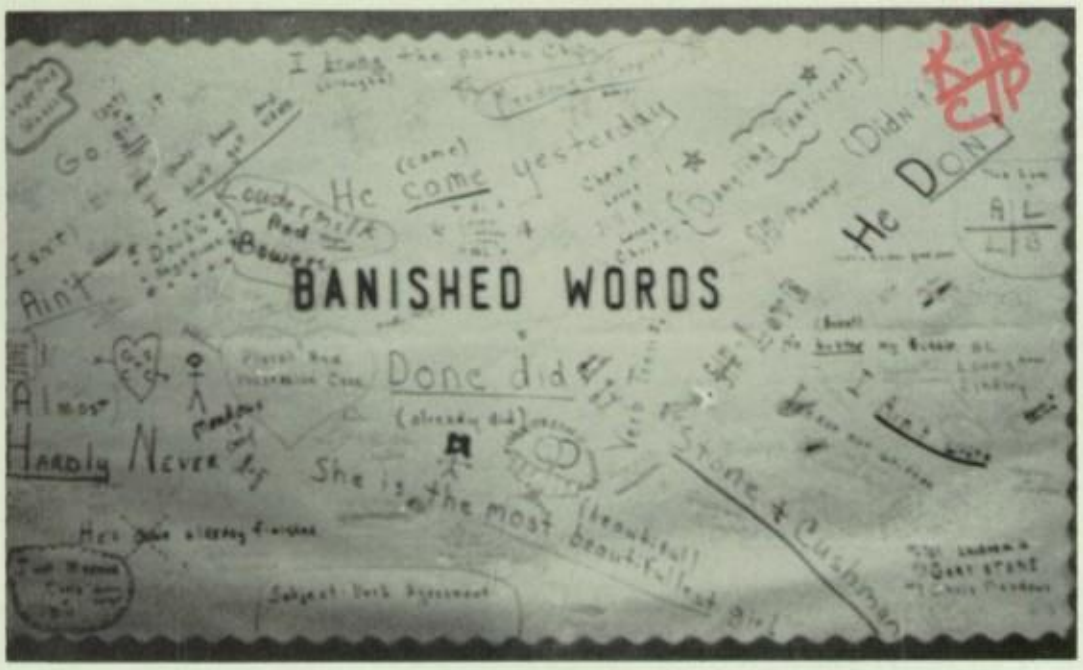
Once, not so long ago, a high school was erected in the city of Tarrant. At that time it was known as Jefferson County High School. But things changed and now it is known as Tarrant High School — HOME OF THE WILDCATS. Its individuality is most noticeable. Each is his own person with his own ideas, but each is also influenced by THE FORCE. THE FORCE being the trend of the day — the music they boogied to, the threads that hung on their back, the flicks they eyeballed and the fast-breaking news of the day.

Jeans had always been popular at Tarrant, but one special brand of jeans ELECTRIFIED us; supposedly they were special. When in reality these jeans had been around since the DAYS OF THE OLD WEST. No matter, these jeans became the ONE AND ONLY. Now, of course, for every pair of jeans there must be a suitable top. We SURVIVED until GATORS invaded WILDCAT COUNTRY and gave us an EVERLASTING LOVE and HOPELESS DEVOTION to LACOSTE and his collection of GREATEST HITS. And if the GATOR couldn't tell it like it was, there was always the T-SHIRT to express our FEELINGS when the CHIPS were down or through our HAPPY DAYS.

It was sometimes a LONG RUN, but we always Kept our HAPPY FEET. Whether it was BASS you were after or just the feeling of HANGING TEN, it always came down to TRYING TO GET THE FEELING. We were always LOAF-ing whether it was in OKLAHOMA, BOSTON or good ol' DIXIE, but COMING HOME always gave us SUNSHINE. STILL we HUSTLED on



down, occasionally BUMP-ing into a few CLOSE ENCOUNTERS that FREAKED us out.



UPS DOWNs

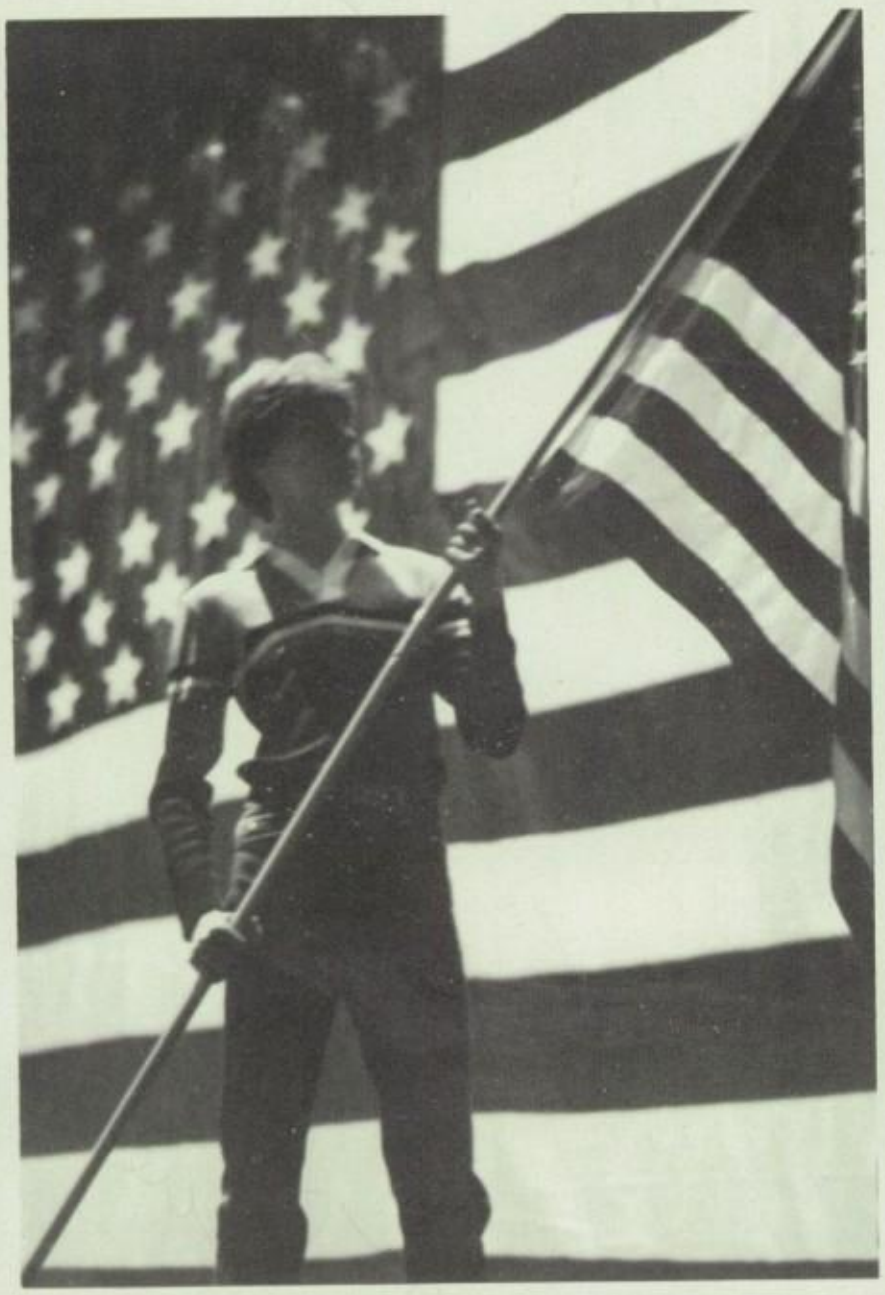
Though sometimes we felt like JERKS with our BAD HABITS stemming from our ROOTS we always knew through our UPS AND DOWNS that STARTING OVER was not the answer.

And whether FOX or HOG we had our times of SHAME. We sometimes felt like telling everyone to BACK-OFF BUCK-O.

If we could not go out to the BOX OFFICE BONANZAs, we could always pick-up a phone to just say "HI."

For we always knew that THE MAIN EVENT was coming.

There were special MEMORIES that many considered worth more than their weight in GOLD tha were added MOMENT BY MOMENT. And though it was RAINING ON PROM NIGHT, we still had time for that LAST DANCE. And having fulfilled all o our GREATEST EXPECTATIONS we felt no TRAGEDY because we STAYED ALIVE through it all.



ONE WAY OR ANOTHER we were always having GET TOGETHERS for various reasons. Whether DECKING THE HALLS, catching THE FEVER or STIRRING OUR SPIRITS we were always UNITED UNDER ONE FLAG.

It seemed we sometimes had the attitude of TRY IT YOU'LL LIKE IT, but occasionally thoughts of MOMMIE DEAREST stopped us. We were always acting like WILD AND CRAZY GUYS AND DOLLS whether TRAVELING FREEDOM'S ROAD on PILGRIMAGES or spooking the Kiddies on HALLOWEEN. As the old saying goes, "It takes DIFFERENT STROKES for different folks."
We couldn't hold TIME IN A BOTTLE; ENOUGH WAS not ENOUGH, but we always knew that we would be REUNITED in THE END.

ATHLETICS

Our Dedication

"When a person has an inborn genius for certain emotions, his life differs strangely from that of ordinary people, for none of their usual deterrents check him."

William James

For this and many other reasons the 1980 WILDCAT is proudly dedicated to Tracey Pruet.

TIME

Endless the hour
day to day,
routine work,
the same
untouched
rhythm.

A sudden jolt,
heartache comes,
for time is
no longer
there.

Take a look
for what we have,
be thankful for
our time,
for the end is near.

Tracey Pruet

"The Clique"

I am a member of a very elite group;
We have come to call the clique.
We all care for each other very much;
Of the students at Tarrant, we are the best pick.

I am the strangest member of the group;
My name is Jeff and I'm the only boy.
I guess that seems a strange situation;
But to be with these girls is such a joy.

Sherry is the quietest member of the group;
I've just gotten close to her this year.
I hope she'll be my friend forever;
For I will always hold her most dear.

Debbie is the most honest member of the group;
I've gotten very close to her, here of late.
She is very kind and I care for her so;
To find a friend like her must have been fate.

Teresa is the dependable member of the group;
I've known her longest of all.
I don't know what I would do without her,
If you need her help, you just have to call.

Gina is the smartest member of the group;
For a true friend, you couldn't ask for better.
I hope our friendship will continue to prosper;
She could never realize how much I appreciate her.

Annette is the friendliest member of the group.
I have fallen in love with this, my beautiful friend.
I don't know what the future holds for us;
But I love her now and I'll love her then.

This is our Senior year in high school;
After graduation I may never see them again;
But I will continue to love them all forever,
And remember the great times that have been.
